General System Map

Denver Parks and Recreation

There are 202 parks in the Denver Parks system. They range in size from large regional parks to small neighborhood parks. There are five (5) 18-hole golf courses and twenty (20) 9-hole and courses within the city. Our 77 miles of tree-lined parkways run through-out the city, and there are 70 miles of multi-use trails within the parks. Our parks are open FOR YOUR ENJOYMENT from 5:00 A.M. to 11:00 P.M. No motorized vehicles are allowed in the parks, except on established roadways. All pets must remain on a leash in parks. There is an ordinance prohibiting glass bottles and parks users are encouraged to use trash containers for all litter. For more information call (303) 573-2552.
